

PRODUCT DATA SHEET

Product Name

ECOWASH LT LIQUID (LTL)

Product Description

ECOWASH LT LIQUID is a biodegradable, concentrated mainwash detergent specifically formulated for effective cleaning at low temperatures. It is designed to maintain fabric quality while delivering excellent washing performance.

Key Features

Biodegradable formulation

Effective cleaning at low temperatures

Concentrated liquid for economical use

Contains natural soap, detergents, optical brighteners, and alkalis

Enhances fabric whiteness and cleanliness

Phosphate-free

Can be boosted with Pensol or Alkali Boost for heavily soiled laundry

Application

Suitable for professional and industrial laundry systems

Designed for low-temperature washing processes

Technical Information

Product Code: 446

Appearance: Jade liquid detergent concentrate

pH: Alkaline

Composition

Natural soap

Surfactants (detergents)

Optical brighteners

Alkalis

Usage Recommendation

Use according to washing requirements and soil level

For heavily soiled fabrics, boost with Pensol or Alkali Boost

Suitable for low-temperature washing cycles

Environmental Information

Biodegradable formula

Phosphate-free

Storage

Store in a cool, dry place

Keep container tightly closed when not in use

Safety Information

Avoid contact with skin and eyes

Use appropriate protective equipment when handling

Follow standard industrial safety procedures
