

PRODUCT DATA SHEET

Product Name

HYDROGEN PEROXIDE DESTAINER (HP)

Product Description

Hydrogen Peroxide Destainer (HP) is a professional-grade liquid oxygen bleach designed for effective stain removal and fabric sanitation. With a full-strength formula containing 35% active hydrogen peroxide, it delivers excellent cleaning performance while preserving fabric color and integrity.

Product Details

- Packaging: Blue bottle (20L / 10L)
- Appearance: Clear, colorless liquid
- Properties: Oxidizing agent

Overview

Hydrogen Peroxide Destainer (HP) provides powerful and reliable stain removal for professional laundry applications. It ensures hygienic cleaning while maintaining fabric quality and color.

Key Features

- Powerful stain removal for tough stains on colored linens
- Effective performance at temperatures up to 90°C
- Color-safe bleach – prevents fading and preserves fabric vibrancy
- Suitable for all fabric types when used as directed
- Provides sanitizing action for hygienic results
- Stabilized formula for extended shelf life and consistent performance

Application

Suitable for professional and industrial laundry systems, including washer extractors and automated dosing systems.

Usage Instructions

- Automatic dosing: Compatible with automatic dosing systems for consistent application

- Manual dosing: Add diluted product according to recommended guidelines

Recommended Dosage

- Low staining: 4 mL per kg of laundry
- Medium staining: 8 mL per kg of laundry
- Heavy staining: 12 mL per kg of laundry
- Best performance at temperatures above 40°C

Technical Information

- Active Ingredient: 35% Hydrogen Peroxide
- Form: Liquid
- Function: Oxygen bleach / destainer

Storage

- Store in a cool, dry place
- Avoid direct sunlight and incompatible substances
- Keep container tightly closed

Safety Information

- Use appropriate protective equipment when handling
- Avoid contact with skin and eyes
- In case of contact, rinse immediately with plenty of water and seek medical advice
- Follow all safety guidelines provided on the product label
